

Away We GO

(Ages: 2 - 4 years)

*In and out, up and down,
Let's go riding in the town.
Over, under, through and through,
Beep! Neeeeighh! Choo, choo, choo!
Round and round, near and far,
By boat or plane, wagon or car.
Smooth or bumpy, fast or slow,
Ready. . . set. . . and away we go!*

Our **Level 2** curriculum packs more fun and learning into one class than any other music and early childhood development program.

Fun and active musical learning for you and your toddler

Toddlers love to GO. Going is their gift, their license to venture out into the world and their means of retreating to the security of Dad or Mom. With toddlers' desire to go comes an attraction to other things that go. Hop on the train! **Away We Go!** focuses on things that go, leading you in an exploration into the world of transportation. We'll journey through fun and exciting activities relating to trains, cars, buses, horses, wagons, airplanes and boats, sing and play along with favorite songs, such as "Wheels on the Bus". Explore fast and slow, smooth and bumpy, and high and low and more.

All activities are carefully arranged to maximize your child's growth and brain development in all 6 regions: Physical, Cognitive, Social, Emotional, Language, & Music. Come experience the research proven "process" we call Kindermusik!

You will have access to digital music, books, and more via my.kindermusik.com and the Kindermusik App. So much fun and enjoyment at your fingertips!
