

**(Ages: Newborn – 24 Months)**

***Cock-A-doodle-MOO!*** Hop on the hayride—it's time to head for the farm! In the *Cock-a-doodle-MOO!* unit of Kindermusik *Foundations*, families will sing songs about the farm, including "Old MacDonald," "Hayride," and "Clever Cows." You will engage in rituals and playful activities for both you and baby, including infant massage, lap bounces, exercise, and quiet time. And during the week, enjoy the digital content on the Kindermusik App or at [My.Kindermusik.com](http://My.Kindermusik.com).

***Dew Drops*** Stop and smell the roses—and lily of the valley, and tulips, and pansies . . . in the *Dew Drops* GARDEN THEME unit of Kindermusik *Foundations*, you will play and move together to songs about flowers, such as "Jasmine Flower," "How Does Your Garden Grow?," and "White Coral Bells." You will also explore traditional Irish & Scottish music: you'll dance a jig, move to the "Irish Trot," and exercise to "Did You Ever See a Lassie."

### **A music-making community for you and your baby**

One ***Foundations*** semester packs more fun, bonding and learning into one class than any other music and early childhood development program. This Kindermusik class provides a special place where you can connect with your baby, and other young families, through music and movement. Over 15 weeks you'll dance with your baby in your arms, share songs, lullabies and nursery rhymes, and celebrate the marvelous transformations of the first 18-24 months. Joyful musical play stimulates your baby's physical and mental development, engages the senses, and helps establish soothing routines.

*You will have access to digital music, books, and more via [my.kindermusik.com](http://my.kindermusik.com) and the Kindermusik App. So much fun and enjoyment at your fingertips!*
