

(Ages: Newborn - 24 months)

Imagine your child swinging softly in a blanket or dancing with you around a maypole. **Foundations** provides a delightful environment unlike any other. Through a unique blend of multi-level activities that include creative movement, vocal play, object and instrument exploration, and a colorful literature component, your baby's growth and development are stimulated and all of his senses engaged. **Kindermusik Foundations** incorporates the most current research on early childhood development and provides families a special place for learning and connecting with other parents and babies through music and movement. *Kindermusik Foundations of Learning*, insights based on current research, help to educate parents about their babies' unique development.

Feathers introduces you and your Baby to a delightful range of songs, movement activities, object play and vocal play relating to our feathered friends. The Australian Kookaburra, the African Ostrich and many more birds from across the world are featured in songs, dances and poems. A Yiddish folk song, a Muskogean melody, and *Mother Goose* rhymes set to music are just a few of the colorful and exciting pieces introduced in this curriculum.

Do-Si-Do swing with your baby in the Virginia Reel, go cheek to cheek in the Tango, and move your feet to the Cha-Cha in the wonderfully unique experience of rhythm and movement in Do-Si-Do. Mexican, Scottish, South African, Southeast Asian and African American music will inspire you and your little one and instrument exploration adds to the fun.

You will have access to digital music, books, and more via my.kindermusik.com and the Kindermusik App. So much fun and enjoyment at your fingertips!
