

Year 1
Ages: Kindergarten - 1st

We are excited to announce an update to our beloved (Young Child) curricula! If your child is currently enrolled you are thinking about continuing your Kindermusik journey with us, the newly named Kindermusik Musicians retains lots of the beloved songs and activities from its predecessor, with some exciting twists.

So, what can you expect? The same high-quality experience of transitioning from musical children to young musicians (a stronger grasp on musical concepts, language, notation, and ensemble performance) plus a few upgrades like:

- A new look and feel
- Updated activity books and at-home content
- New music and activities
- Instrument and music are still provided in your materials
- Classes are 1 hour long (caregivers participate in first and last 10 minutes of class)

We know you're going to love this rebranded offering!

Please reach out to us directly with any questions.
