

SEE WHAT I SAW

Ages: 3 ½ years thru 5 (Pre-Kindergarten)

Our **Level 3** curriculum packs more imaginative & problem-solving fun and learning into one class than any other music and early childhood development program That's the value of Kindermusik: lifetime learning thru PLAY!

Imaginative musical fun and learning for you and your preschooler

Musical activities featuring both favorite tunes and new multi-cultural songs will celebrate your child's ideas and build confidence and self-sufficiency too. Each week your preschooler will grow by leaps, skips, and hops in this fun-filled journey of the imagination using books, storytelling, language, drama and puppets. **See What I Saw** encourages families to enjoy music and special times together in a park-like setting! Your child will climb up the slide, bounce up and down on the see-saw and fly through the air on the swings while exploring musical concepts, developing coordination, expanding language skills and maturing socially and emotionally - ALL THRU PLAY! Adding to the thrill are at-home projects such as finding patterns, exploring bird sounds and dressing up.

You will have access to digital music, books, and more via my.kindermusik.com and the Kindermusik App. So much fun and enjoyment at your fingertips!
