

## Toys I Make – Trips I Take

**Ages: 3 ½ years – 5 (Pre-Kindergarten)**

Our **Level 3** curriculum packs more fun and learning into one class than any other music and early childhood development program.

Musical activities featuring both favorite tunes and new multi-cultural songs will celebrate your child's ideas and build confidence and self-sufficiency too. Come experience the research proven "process" we call Kindermusik!

Each week your preschooler will grow by leaps, skips, and hops in this fun-filled journey of the imagination. We'll build a pretend toy shop filled with boats, trains, balls, jack-in-the-boxes and many other exciting toys, then take make-believe trips over oceans and mountains—singing together all the while. Your preschooler will love telling stories and developing rhythm and abstract thinking skills by playing the Kindermusik drum. Children play and learn alone with their teacher for the first part of each lesson, and you'll join in at the end of class for *Family Sharing Time*. *Level 3* is the perfect Preschool compliment and it also helps prepare your preschooler—and you!—for the transition to Kindergarten.

*You will have access to digital music, books, and more via [my.kindermusik.com](http://my.kindermusik.com) and the Kindermusik App. So much fun and enjoyment at your fingertips!*
